

Clayton Ryon needs your help!

Clayton Ryon had a vision: He gave up his car and started "Commute for a Cause."

He is donating 10 cents a mile to the Homeless Garden Project for every mile he commutes on his bicycle from May to November 2009, and challenging others to "sponsor" him by also making a pledge to the Homeless Garden Project.

You can participate in this great act of sustainability and community service by filling out the sponsor form below and mailing it to the: Homeless Garden Project, PO Box 617, Santa Cruz, CA 95061. We will notify you in November of your pledge total, which is 100% tax deductible.

Learn more about Clayton's vision on his blog, and also watch the miles add up: <http://commuteforacause.blogspot.com/2009/05/background.html>

Other ways to participate: do your own "Commute for a Cause" and make a donation pledge for every mile YOU ride on your bicycle from now through November, or make a donation pledge for every mile you commute in your car because you cannot commute by bike. Call us and tell us about it... let's start something big!

The Homeless Garden Project provides jobs and training to people who are homeless in Santa Cruz County. Please visit our website to learn more about us! www.homelessgardenproject.org
