HOMELESS GARDEN PROJECT - TRAINING PROGRAM APPLICATION

Thanks for your interest in the Homeless Garden Project Training Program! We offer Century Certificate program (three months) and a year-long transitional employment program. These programs provide training in two main areas: (1) job skills (including organic farming, nursery operations, and sales) and (2) life skills (for example, improving communication skills, setting personal goals). If this type of program interests you please fill out this application. There are no "right" or "wrong" answers. This is just a way for us to learn about your previous work experience, your training priorities, and your life goals.
